SAVE

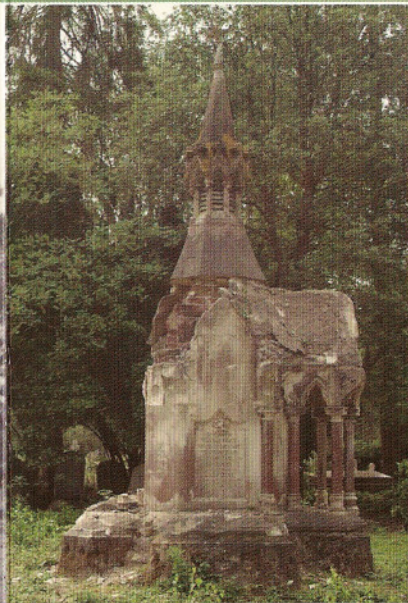

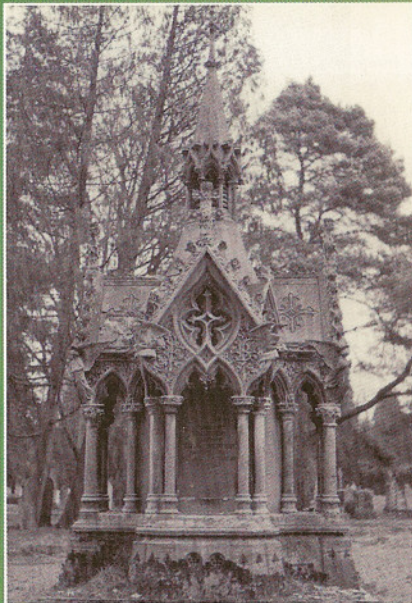

BROOKWOOD
CEMETERY 

To commemorate 150 years of Brookwood Cemetery we are attempting to raise £1,000,000 towards the restoration of the cemetery.

The cemetery requires vast financial resources to restore the important structures and the cemetery's unique funerary landscape. Restoration will also mean these structures remain for the benefit of the local and wider community for educational and historical uses.

*Please give generously,
the future of the cemetery
depends on you*
